Re: Holcomb v. Optumhealth, Inc. and Unitedhealth Group, Inc.
20 Civ. 9043 (AKH)

Dear Judge Hellerstein:

I represent the plaintiff and I am writing to request an adjournment of the May 30, 2023 oral argument of defendants' motion for summary judgment. The argument date falls at the tail end of a trip that my wife and I are taking in May. Due to an oversight, I hadn't noticed the conflict until this past weekend.

I have conferred with counsel for defendants who consent to my request. They ask that the argument not be rescheduled for the week of June 5 but are free the week of June 12.

I appreciate the Court's consideration of my request.

Respectfully yours,
